

# HABITAT FOR HUMANITY

Volume 3, Issue 4

April 2015

## Sponsor Salute

The Augusta Board of Realtors® was founded in 1914 by a group of Real Estate Brokers in an attempt to facilitate good relationships between brokers and the public which they served. The foundation of the association was the adoption of a code of ethics that promoted the standards of the golden rule - "Do unto others as you would have them do unto you." To a great extent the necessity of the board of Realtors® was to promote ethical conduct in the absence of any state licensing laws or agencies. GAAR has roughly 1100 members in Augusta and surrounding area including North Augusta. Their primary mission is to promote legislative action that will benefit buyers, sellers and real estate agencies throughout the community. However, they also are charged with monitoring and policing the ethical standards within their own industry.

## UPDATE

Habitat for Humanity of North Augusta continues to progress on house number 16. To date, the exterior work is near complete and an electrical ditch was completed ready for the main power install. On March 21 the dry wall was completed by the able volunteer crew pictured below. Most of this work team were from Ft. Gordon some of which departed before the photo was taken.

**If you are interested in being considered as a potential HFHNA House Number 17 Partner Family, you may complete an application online at [www.HFHNA.org](http://www.HFHNA.org)**

## Donor Highlight

We at Habitat for Humanity of North Augusta proudly welcome GAAR as one of our newest sponsors. Pictured below is Tom Ellers, President of HFHNA accepting a generous check from Barbara Sanders, the President of GAAR.

RNM, LLC / Georgia-Lina Precast

Barbara Sanders presenting check to Tom Ellers

Ms. Sanders has been a member of GAAR for approximately 33 years and she has worked for Prudential's Beazley Real Estate for 18 of those years. Prior to becoming President of GAAR she had served as an active member of GAAR's Board of Directors for many years. When asked why GAAR selected HFHNA for their contribution she said; "It's a great partnership. Both parties working to achieve the same goal of providing an opportunity for home ownership to someone who otherwise would never know the joy, pride and peace of mind that comes with owning your own home."

Habitat for Humanity of North Augusta is most appreciative for the donation of a complete septic tank for House No. 16 made by Robert Miller, Founder and Owner of RNM/Georgia-Lina Precast. Mr. Miller founded the operation in 1989, manufacturing precast concrete products for a three state area; SC, GA and NC. Their products range from sanitary sewer structures, grease traps, storm drain structures, vaults, telecommunication pads, electrical structures, valve pads, marking posts, parking bumpers, splash block and much more. Between the staff at RNM, LLC and Robert Miller, there is over 70 years experience in cement, concrete products and the underground utility industry.

Robert Miller, Founder and Owner

To assure their customers that they are purchasing the best in quality and service, RNM, LLC / Georgia-Lina Precast is plant certified by the National Precast Association. From estimating to delivery of the finished product, their professional staff stands ready to provide the best in quality and service. All of us at Habitat for Humanity of North Augusta offer our warmest thanks for their contribution.

H & H Street septic system is now complete

## Pat Bonsal Leaves the Habitat Board

Pat Bonsal has been a member of the Habitat for Humanity of North Augusta's Board of Directors since 2010 serving as Vice President. During her time as Vice President, Pat lead many special projects such as our participation in the North Augusta Health Fair. She has made many valued contributions to the ongoing success of HFHNA. Pat has elected to resign from the Board in order to pursue her career and spend more of her free time with her family. All of us on the Board will surely miss Pat and we thank her for her dedicated service.
