years, Pat Barfuss has worked with area restaurants to provide construction volunteers with a good lunch on work days. She has also managed to grow the number of lunch donors from a mere two or three to well over 20 local restaurants within our community. Pat is the face of Habitat for these restaurants.

Pat and her husband, Don, moved to the area about 30 years ago. Don worked at SRS and Pat was a graduate nurse at University Hospital. After Don passed away suddenly from a heart attack about 12 years ago, Pat began filling her time by volunteering at the Church of Jesus Christ of Latter-day Saints. She has held leadership positions as Relief Society President, Choir Director, and as visiting teacher coordinator. At the same time, she has been an indispensable volunteer with HFHNA.

When not volunteering, Pat's hobbies include family genealogy and collecting covered wagon models. Her current collection numbers over 45.

Pat has two children, Donald in Layton, Utah and Duane in Redding, California. She has five grandchildren and two great-grandchildren.

Pat is moving to California in April to live with her son and his family. Her time out west will be consumed by Grandmotherly duties. Her grandchildren and great-grandchildren will be beneficiaries of her kind and generous manner.

We at Habitat for Humanity of North Augusta will surely miss Pat's smiling demeanor and her many contributions to our mission. We wish her the best in her new adventures. Our loss is her grandchildren's gain.

About Habitat for Humanity of North Augusta

Habitat for Humanity of North Augusta is part of a global, nonprofit housing organization operated on Christian principles that seeks to put God's love into action by building homes, communities and hope. Habitat for Humanity of North Augusta is dedicated to eliminating substandard housing locally and worldwide through constructing homes; by advocating for fair and just housing policies; and by providing training and access to resources to help families improve their shelter conditions. Habitat for Humanity was founded on the conviction that every man, woman and child should have a simple, durable place to live in dignity and safety, and that decent shelter in decent communities should be a matter of conscience and action for all.

All are welcome

Habitat for Humanity of North Augusta has an open-door policy. All who believe that everyone needs a decent, affordable place to live are welcome to help with the

work, regardless of race, religion, age, gender, political views or any of the other distinctions that too often divide people. In short, Habitat welcomes volunteers and supporters from all backgrounds and also serves people in need of decent housing regardless of race or religion. As a matter of policy, Habitat for Humanity International and its affiliated organizations do not proselytize. This means that Habitat will not offer assistance on the expressed or implied condition that people must either adhere to or convert to a particular faith or listen and respond to messaging designed to induce conversion to a particular faith.

About Habitat for Humanity International

Founded in Americus, Georgia, USA, in 1976, Habitat for Humanity today operates around the globe and has helped build, renovate and repair more than 600,000 decent, affordable houses sheltering more than 3 million people worldwide.

The advertisement graphic features a blue header with the Habitat for Humanity logo and the text "Habitat for Humanity of North Augusta". To the right is a photo of a young girl on a porch. Below this is a yellow section with the text "we need new homeowners*" and three questions: "do you need to improve your housing situation?", "can you pay a low cost mortgage?", and "are you willing to help build your dream home?". The bottom section shows a photo of a house with the text "to apply call 803-642-9295 ext. 301 or visit hfhna.org". It also includes an Equal Housing Opportunity logo, a QR code, and a note: "* Must meet eligibility requirements".

Support Habitat for Humanity

By supporting Habitat for Humanity-North Augusta, you will have helped by making a significant difference in the lives of Habitat families, not only in your community, but also around the world. On behalf of these individuals, we sincerely thank you for your contributions.

About Habitat for Humanity

Driven by the vision that everyone needs a decent place to live, Habitat for Humanity began in 1976 as a grassroots effort on a community farm in southern Georgia. The Christian housing organization has since grown to become a leading global nonprofit working in nearly 1,400 communities throughout the U.S. and in nearly 70 countries. Families and individuals in need of a hand up partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Through shelter, we empower. To learn more, visit habitat.org.

Habitat for Humanity of North Augusta Supporter Recognition of the Month

Travis Hargrove holds Certificate of Appreciation

“We at The Groves Nursery are committed to providing our customers with quality plant material. With over 70 combined years of experience in the green industry, we hope to help you with all plant and landscaping needs.” Brothers Rick and David Hargrove established The Groves Nursery on January 1, 1983. Travis Hargrove, Rick's son, now runs the business and handles all wholesale nursery sales, in addition to the commercial and residential landscaping work. Travis grew up in the business spending summers and after school hours working at The Groves Nursery. For the past 20 years, he has been committed to providing the best quality customer service, as well as the best plant materials and landscaping. Travis' team has been providing landscaping for Habitat for Humanity of north Augusta housing for every house HFHNA built over the years. We thank Travis and Grove's Nursery for their continued support.
